Choosing colours and finishes for projects can be difficult both for suppliers and clients alike.

This colour guide offers a one stop resource for choosing colours and finishes in the numerous door designs available at O&S Doors.

From Vinyls to Acrylics, Paints to Melamines, we have an extensive variety of complimentary finishes available. To this end we carry in stock a range of classic colours right up to the most recent market trends. This colour catalogue contains all the finishes available in the current O&S Doors range. It is without exception the widest range of finishes available to the fitted furniture frontals market.

Samples can be obtained by contacting our customer services team on
